Hi Russell

I rec'd the attached FOIA for copies of Incident reports & DER's related to docket you opened (EPA Docket ID: EPA-HQ-OPP-2013-0049). I was able to locate records on everything expect for the following two documents. Do you know if a review was done on these documents? If so, please provide me with copies of the DER's. If not, please email me before DUE date 3/25/13 stating no records exist.
